

1810.11 Campground Licensing

Issued January 1, 1994

SUBJECT: Campground Licensing.

APPLICATION: Facilities offering camping to the public.

PURPOSE: To protect the public health of persons using the campground.

CONTACT AGENCY: Department of Public Health (DPH) - Bureau of Environmental and Occupational Health, Environmental Health Division.

TELEPHONE: 517/335-9214

FAX: 517/335-8298

SUMMARY: State-operated campgrounds are exempt from the fee requirements for construction permits and annual licenses, but must comply with the requirements of the Act and related Rules.
Established protocol is to have a site review conducted, by either the State or a local health department, prior to preparation of plans for new construction or renovations. Plans simultaneously are submitted to the State, and to the local health department, for review and approval. Local health departments conduct portions of the program through periodic inspections and consultations.

APPLICABLE FORMS: None.
